

Puppy Consultations (Choice of Single or Multiple Sessions)

Our puppy consultations are designed to help you and your puppy build a strong foundation for a well behaved, happy companion. In these sessions, you will learn the essentials for giving your puppy the best start, including key skills and obedience, recall, leash walking and fun tricks. We'll also focus on preventing common puppy behaviors, that if left unchecked, can turn challenging habits. By guiding your puppy in the right direction early, you'll create a positive and rewarding environment that helps them thrive as a beloved member of your family.

Learning Points Included:

- Name Recognition
- Potty Training
- Puppy Confidence Building
- Restrained Recall
- Positive Crate Association
- Food Luring
- Overall Integration into Home

Exclusive In-Home Board and Train

Why board and train?

When a dog is in a board and train program, they are getting trained full time by a professional trainer. The research shows that this method progresses the dog faster and offers a higher success rate when the dog transitions back into their own home.

What all will my dog learn in the two week program?

Included but not limited to:

- **Commands:** Come, sit, down, off, leave it
- Impulse control training
- Reward based E-collar introduction training
- Positive crate association
- Socialization with other dogs
- Off-site training in various public locations

Cost: \$1995

What additional training will my dog receive with the three week board and train?

All training facets of two week program PLUS:

- Off-leash reliability and boundary training
 - Advanced E-collar training
 - Strong obedience focus
 - On and off-site high level distraction training
 - Lifetime professional training support
- *Three week program is mandatory for any major behavior modifications and/or advanced training.*

Cost: \$2995

What does overnight look like during my dog's stay?

All dogs will be put into their crate after a long day of training at approximately 10:00pm. Unlike other facilities, the dogs will never be left alone at night. The trainer's bedroom is right next to where the dogs sleep and they are checked on periodically.

How many dogs are in the board and train program?

A maximum of (5) dogs at any given time. This ensures quality, custom training for your canine companion.
